5, 2025

What holiday is this
Saturday, March
8th?

International Women's Day

Women

Equal

Celebrate

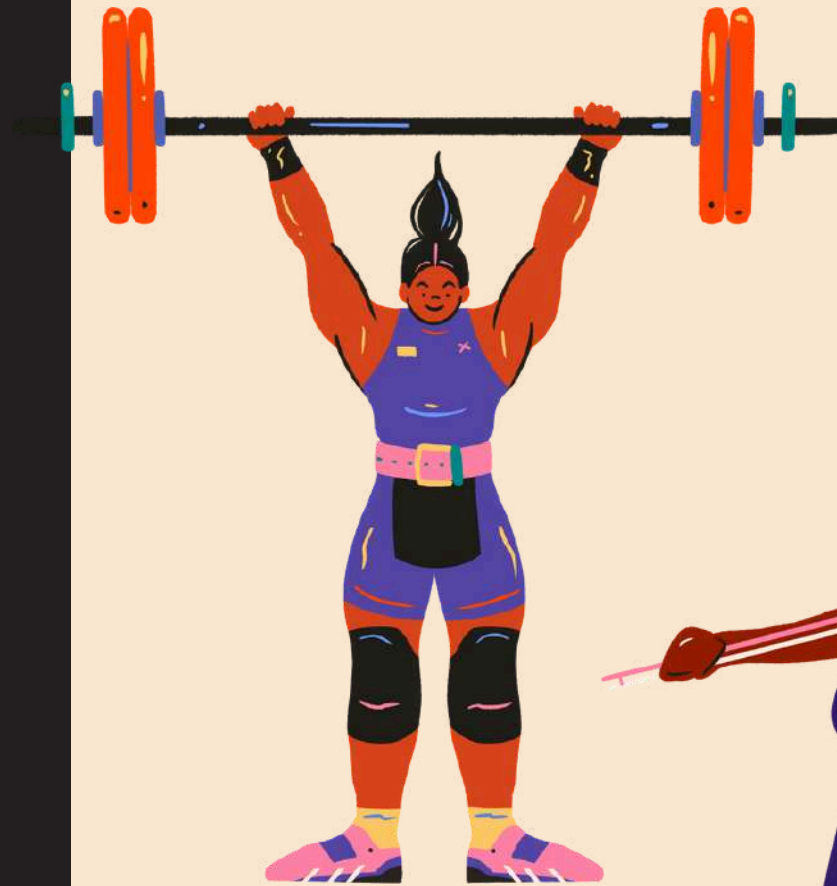

Why?

Historically, women all over the world have not had equal rights as men.

On this day people celebrate the achievements of women all over the world, but also continue to fight for more equality for women.

wear purple

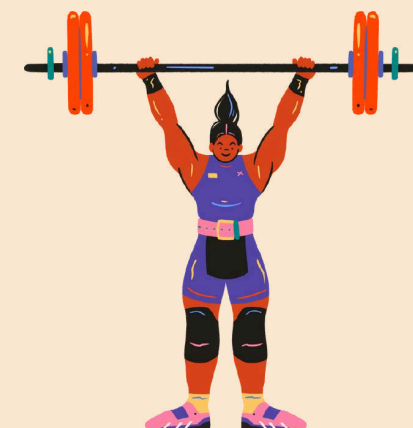

Historically, the color purple has been worn to show support for gender equality.

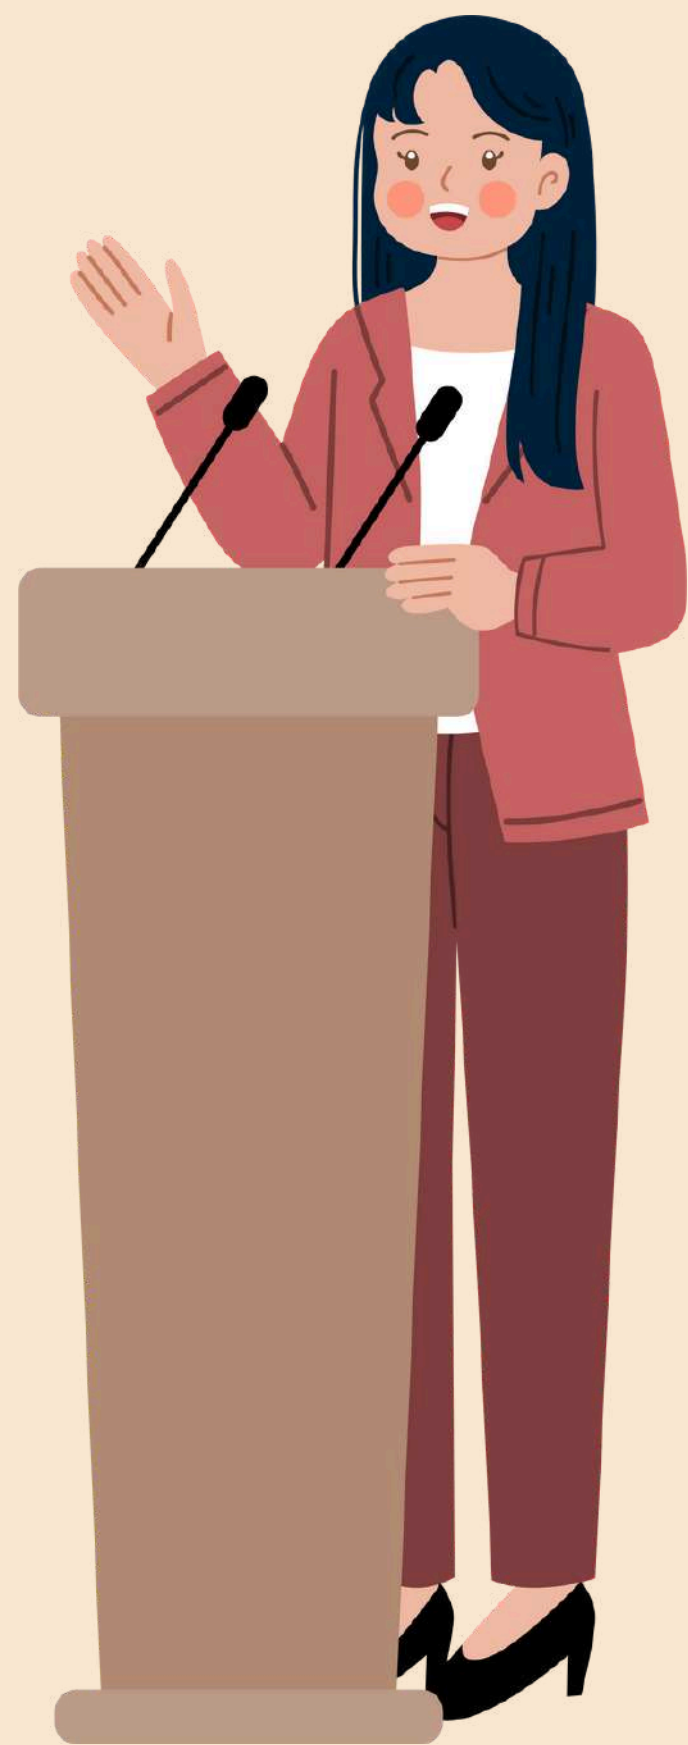

International Women's Day
