## Handshake Mystery

1. Everyone will stand in the front and start shaking hands.
  2. Every time you shake hands with someone you will say “hi, nice to meet you” and give them a good handshake.
  3. There are 3 people who have a secret handshake. It will be a little tickle in the palm of your hand.
  4. If you get the secret handshake then you must be discrete about it! Once the secret person shakes 2 other people’s hands, then you can return to your seat.
  5. The winners are the last 3 standing

The background is white and decorated with various hand-drawn blue scribbles. These include several overlapping circles and ovals, some with multiple concentric lines. There are also wavy lines, zig-zags, and some abstract shapes that resemble leaves or petals. The overall style is casual and artistic.

**Thank you,  
everyone!**
